## Bread Maker

Now your favorite bread and cake recipes will come out perfect every time. The Beyond Bread Maker takes the guesswork out of baking. Just scan the barcode on the box—this intelligent appliance does the rest. The Beyond Bread Maker stores hundreds of pre-programmed recipes, and ensures they all turn out just right. Add the Home Hub and it automatically “learns” new ones from the online Beyond Network. Makes conventional bread makers seem, well, conventional!

Use of connectivity features require the use of a Home Hub or iCEBOX & SANI Card sold separately
